WEEK 2

	SUNDAY	MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY	SATURDAY
AM							
PM							

NAME:

AGE:

The Program

Brush & Floss with Ribby is a preventive oral healthcare program presented by Raynor Dental and the Keene SwampBats.

Brush & Floss with Ribby is for children ages 3-10, to help encourage them to consistently practice their brushing and flossing habits at home! In 2019 the program will run during April and early May.

All completed trackers must be returned by May 17th to receive the Ribby cinch sack courtesy of Raynor Dental and a family pass to a SwampBats game in June.

The Benefits of Participating

- Learning great healthy habits that will pay dividends for a lifetime.
- Being part of a community program that supports the Keene SwampBats!
- Clean teeth & healthy gums, just like Ribby.

Rewards for Completing the Program

- A Ribby cinch sack filled with fun prizes.
- A family pass to the Brush & Floss with Ribby and Raynor Dental SwampBats game on June 15th.
- The opportunity to take part in the kids parade during the game at Alumni Field.

How to Use the Tracker

The Tracker must be used by the child for two consecutive weeks to complete the program. Brush and floss in the morning, and color the correct day in the top row! Then brush and floss in the evening, color in the bottom row! All days need to be colored-in to complete the program.

Submitting the Tracker Online

- ***Snap a photo of the completed tracker***
- ***Go to RaynorDental.com/ribby***
- ***Upload it along with your contact info***
